Opis produktu

A suspender belt made of transparent red knitted fabric with black latex printed along the edges. The 6 latex garters have metal clips to attach suspender stockings. The suspender belt is easy to put on and take off, and comfortable to wear thanks to the stretchy material. This suspender belt from the Guilty Pleasure Printed Datex collection is a great match for the footless thigh highs with latex print. Printed Datex is a combination of natural rubber and elastic knitted fabric. The latex is printed in sexy open patterns on a highly elastic knitted fabric. Because of the flexibility and great extensibility this material does not crack and is very comfortable to wear. Combinable with all GP fetish wear items for the most stunning outfits.
