The doctor is in! The Dr. Jay Vibrating Cock with Suction Cup aims to please with its soft, realistic feel. This toy's multi-speed vibrations are adjustable so you can find the right level of power for your body. With 6 inches insertable length and 1.75 inches girth, Dr. Jay is sized for the user who wants thickness but not too much length. Alone or with a partner, take advantage of Dr. Jay's deep suction cup base, which will stick to any smooth, flat surface for hands-free play—and it's also harness compatible. Easy to clean, Dr. Jay is made of body safe, non-porous PVC: just wash with a gentle soap and water, or your favorite toy cleaner, and let air-dry.
