Opis produktu

A spectacular outfit, this printed Datex dress with a striped pattern in purple! The latex printed stripes allow to see through the transparent black fabric. There is V-shaped area on the front without print and on the back the stripes from the left and right side join at the waist. Because of the stretchy material on which they are printed, the stripes follow all the body curves smoothly. There are no zippers or other closures, as the material is highly elastic and flexible. So it is easy to put the dress on or take it off, and it is comfortable to wear. A sexy long dress from the Guilty Pleasure Printed Datex collection, for women who love to attract attention. Printed Datex is a combination of natural rubber and elastic knitted fabric. The latex is printed in sexy open patterns on a highly elastic knitted fabric. Because of the flexibility and great extensibility this material does not crack and is very comfortable to wear. Combinable with all GP fetish wear items for the most stunning outfits.
