Opis produktu

A set of footless thigh highs in red and black. The stockings have a black latex print in a sexy open pattern and a Cuban seam at the back side, on a transparent red knitted fabric that is highly elastic. The material is stretchable and flexible, which will ensure great wearing comfort and a unique look, following the body curves smoothly. The printed Datex thigh highs are great to wear in combination with the printed Datex suspender belt, or with a Datex mini dress from the Guilty Pleasure collection. Printed Datex is a combination of natural rubber and elastic knitted fabric. The latex is printed in sexy open patterns on a highly elastic knitted fabric. Because of the flexibility and great extensibility this material does not crack and is very comfortable to wear. Combinable with all GP fetish wear items for the most stunning outfits.
