Opis produktu

This body has a striped red latex print in a sexy open pattern on a transparent knitted black fabric that is highly elastic. The bottom, the breast area, the neck line and most of the back have horizontal and vertical stripes. The rest of the body exposes more skin, as it has only vertical stripes. The material is flexible and stretchable, which ensures a great wearing comfort and a unique look, following all the body curves smoothly. This printed Datex teddy combines beautifully with other items from the Guilty Pleasure Datex collection. Printed Datex is a combination of natural rubber and elastic knitted fabric. The latex is printed in sexy open patterns on a highly elastic knitted fabric. Because of the flexibility and great extensibility this material does not crack and is very comfortable to wear. Combinable with all GP fetish wear items for the most stunning outfits.Click here for Datex care instructions and size chart
