Is Le Wand Crystal Wand 100% body-safe and porous?While crystal is a body-safe material, it may be porous or has “closed porosity” — pores lay on the surface of the stone but would be very difficult for bacteria to seep through to the center. We suggest placing a condom over the product if you are sharing your crystal with a partner that you are not fluid-bonded with.How should I clean Le Wand Crystal Wand?Use a damp cloth and mild antibacterial soap to wipe the toy down. Make sure the cloth removes all soap residue before you allow the toy to dry. You can also use a sex toy cleaner directly on the product and finish with a damp cloth.If you want to spiritually connect with your crystal, you can also cleanse its energy prior to and after use with a solution of sea salt and water, the smoke of sage, gentle sunlight, or the light of a full moon. For more information, please refer to the Guide to Crystal Pleasure Tools included in the package.How should I store my Le Wand Crystal Wand?After cleaning, allow Le Wand Crystal Wand to air dry. Then, put it into the storage pouch included with the toy or simply keep it o
