Opis produktu

For pegging and lesbian pounding pleasures!
Strap-on harness from ZADO made of smooth leather in a typical natural look with silver-coloured metal details. Double-layered and with a lightly padded back for high wearing comfort. Carefully stitched edges. The natural leather is not dyed/waxed and can develop a beautiful patina over time (used look).

The strap-on harness can be used with many dildos and vibrators that have a suction cup or base. Simply open the press studs at the front and insert a dildo/vibrator using one of the two included rings (inner Ă˜ 4 cm and 5 cm). Hip and jock straps with buckle fasteners adjustable for a secure and comfortable fit.

Leather (buffalo, chrome-free tanned), metal.
Dildo/vibrator not included.
