Opis produktu

Thick and large heavyweight for the backdoor!

Soft Big Butt Plug with suction cup from ANOS in a classic, cone-shaped design for people who are familiar with anal stretching. The large suction cup makes it easy to handle and prevents the plug from sliding in too far. The suction cup also sticks to any smooth surface and makes hands-free use possible.

The XL butt plug is made out of seamless, non-porous Liquid Silicone. It is pleasantly firm but also wonderfully flexible. The extremely soft surface adapts perfectly to the anatomy and slides into the anal pleasure canal almost on its own.

Complete length 16 cm, insertion length 13.7 cm, Ø max. 6.4 cm.

Weight 400 g.

Silicone (Liquid Silicone).
