Opis produktu

b-Vibe UV sterilizer pouch. Travel friendly pouch, for disinfecting your intimate toys safely and quickly. Compatible with any sex toy up to 10 inch / 25,4 cm. Includes: LED UV Sterilizer Pouch, USB Cord, User Guide. b-Vibe's UV sterilizer bag is a complete sanitizing system that kills over 99.9% of harmful bacteria in 3 minutes. Easily accommodating average-sized toys including all b-Vibe products and all toys up to 10" in size, this sterilizer bag can be used to keep almost all of your pleasure products germ-free. Save 90% compared to mercury lamps. No pre-heating necessary. Low-temperature and safe. Fast sterilization in 3 minutes. No mercury or dangerous substances. Small and convenient. Durable for long term use. b-Vibe : Premium Anal Play Products For All Couples. b-Vibe is a premium collection of tech-forward anal play products founded by certified sex educator, Alicia Sinclair. The result of years of research, each b-Vibe product utilizes innovative design tactics to address specific, often unaddressed, sources of anal pleasure. Pioneering the category of high-end anal accessories, b-Vibe has been able to set a high quality, yet approachable, tone for a rapidly emerging category. Most notably, b-Vibe's core mission is to empower exploration through education. By offering a constant array of accessible content, carefully written guides and real-world information, the brand promotes inclusivity and informed play. All b-Vibe's products are 100% body-safe in accordance with California Prop 65 (no phthalates), and global CE and REACH certifications. Each plug comes with a warranty and instructional booklets to make the experience safer, more informed, and ultimately more pleasurable."
