Beautiful material mix with fancy details!

A basque and crotchless string from Cottelli CURVES in a set. The set is made out of beautiful dark purple matte look and delicate black lace. It also has rose gold-coloured accessories too. It is soft and stretchy for a very comfortable fit. The slightly padded, underwired Å' cups have delicate lace cups on top of them. The lace cups and their adjustable straps can be removed. The cleavage chains can also be removed. There is a small heart-shaped pendant in between the cups. There is decorative satin lacing at the front. There is a hook fastener at the back for adjusting the basque. The suspender straps and the main bra straps can be adjusted. The matching small string is seductively crotchless.

90% polyester, 10% spandex; lace 90% polyamide, 10% spandex.
Without stockings.
