Opis produktu

Diverse and elegant! This extraordinary body is made entirely out of soft lace and can be fastened with the 3 buckles around the waist. It offers hot views from the cleavage to the top of the buttocks and therefore leaves no question unanswered. The three suspender straps mean that sensual suspender straps can be attached and they also make sure that they won't fall down as well. The suspender straps are also adjustable. The bondage element is also great for spicing up someone's love life – a partner can take control and use the included handcuffs and ankle cuffs however they want. The handcuffs and ankle cuffs can be joined together with small chains and snap hooks. Body polyamide, 10% Spandex; restraints 90% polyester, 10% Spandex.
