### Opis produktu

Delicate lace in a provocative style! The rio body with long sleeves from Cottelli LINGERIE is made entirely out of soft, delicate lace and has fancy matte look details. It is tight-fitting but also stretchy and soft which means that it is very comfortable. It has a low-cut neckline at the front and is open right to the belly button. The front has a provocative harness look with stretchy straps and rings. The body has a very low-cut back as well that is only held together by decorative stretchy straps. The lace collar is closed with 2 buttons at the back of the neck. There are press studs over the crotch. The suspender straps are adjustable and can be removed completely. 90% polyamide, 10% spandex.
