Opis produktu

The MensWand is the first Bodywand specifically designed for men. The compact powerful USB rechargeable massager features a flexible neck that helps apply more or less pressure to desired areas. The included multi-use attachment's smooth silicone wings envelop the shaft, and can be used for solo play, foreplay or as an addition to oral sex. Power through 8 speeds and 20 patterns of vibration to enjoy the stimulating touch of the attachment's lightly textured interior. Compact powerful rechargeable massager 8 speeds 20 patterns Removable attachment Flexible neck USB Rechargeable, no running out of batteries for unlimited enjoyment. One full charge = 5 hours of play Compact ergonomic design for travel, solo play and partner play Transform your wand into the ultimate male masturbator with the included attachment Simple intensity and pattern control with travel lock function Enhance your size and girth
