The crotchless lace body from Cottelli BONDAGE has 2 removable suspender straps and 4 restraints. It is made out of soft, stretchy, black lace with matte look strap details and silver-coloured accessories. The body is low cut at the front and the back. The soft cups have seductive slits. There is a removable, stimulating chain over the crotch. There are securely sewn-on belts underneath the breast and around the waist. These belts have rings at either side. The 4 included restraints for the arms can be put through the rings. The soft restraints have hook and loop fasteners, which means that they can be put on and taken off quickly. The suspender straps can be adjusted and removed.
