Opis produktu

Pure seduction! This black set does not leave any man's fantasies unfulfilled! This underwired bra has fully open cups as well as horseshoe-shaped metal rings over the nipples. With a practical hook-fastener at the back, the fashionable halterneck can be opened easily with the clip fastener. The sexy string with an elastic waistband and metal ring at the front is also a sight for sore eyes because the only thing that covers the crotch is a soft strip of material. Your lover will not be able to keep his hands off you when he sees you in this! Material: 85% polyamide, 15% spandex.
