### Opis produktu

Fine material mix with intricate details!

Longline bra and suspender thong set from Cottelli CURVES in a fine material mix of 2-tone soft floral lace and delicate stretchy powernet. Both fronts also have decorative satin lacing. The longline bra surprises with its unbuttonable lace cups, under which a lined underwire bra is hidden. The straps and the hook fastening at the back are adjustable to fit. The waist-high suspender thong seduces with its unbuttonable crotch so that the thong can also be worn crotchless. The two suspenders at the front are adjustable and also completely removable.

Lace 60% polyamide, 35% viscose, 5% spandex; powernet 90% polyamide, 10% spandex.  
Stockings not included.
