### Opis produktu

An exclusive style with delicate floral embroidery and bows!

The wireless bra, suspender belt & string in a set from kissable is made entirely out of delicate light pink powernet with elaborate floral embroidery. It is soft and stretchy which means that it is very comfortable to wear. There is a playful satin bow at the front of the wireless bra and at each side of the string. The bra has a clip fastener at the back and the straps are adjustable. The suspender belt has a hook fastener at the back and adjustable suspender straps. The small string is extremely seductive because of its two narrow stretchy straps that meet in the crotch area.

95% polyester, 5% spandex. Without stockings.

Important: There is a separate size chart for kissable!
