Opis produktu

Seductive combination of transparent material and lace! This set emphasises a person's back because it has transparent straps and bra straps that leave nothing to the imagination. However, the front is extremely enchanting because it has seductive lace covering the intimate areas. The lace will make a partner want to 'unpack' their present. It is very comfortable to wear because the stretchy straps are adjustable and the lace over the breasts can be slid into the right position. 90% polyamide, 10% spandex.
