A set full of elegance and passion!

The wireless bra, suspender belt and crotchless string are in this elegant and erotic suspender set from Abierta Fina. The set also includes a velvet choker. The set is made out of delicate black tulle which has elaborate embroidery on it. The set also has small decorative sequins on it as well. The rose gold-coloured accessories and stretchy velvet straps add the finishing touch to this seductive style. The wireless bra has slits in the cups, a hook fastener at the back and matching, adjustable velvet straps. The suspender belt also has a hook fastener at the back and 6 adjustable velvet suspender straps (in total). The small string is extremely seductive, thanks to its open crotch area and stimulating chain. The chain can be removed. The beautiful velvet choker has a small decorative heart-shaped pendant. The choker can be adjusted with its hook and loop fastener.

100% polyester. Without stockings.
