### Opis produktu

Three lots of delicate transparent material for pure femininity! Are you planning an erotic evening with your partner and you don't have the right outfit? Then this 3-piece set is just the right thing for you - you'll definitely be well equipped when the evening starts heating up. The seductive chemise stands out from the rest because of its fancy details. The skirt part is made out of black powernet and the large insert of eyelash lace for the top part adds a beautiful classy touch to the lingerie. There is also a powernet insert in the cleavage area that adds to the classy effect. The delicate transparent lace emphasises your beautiful breasts as well - what a sight! However, the back of the chemise is very impressive too because there is a small halterneck that ties at the back of the neck and a lace insert around the lower back. The matching black kimono with elbow length sleeves and a satin belt covers your curves in a sexy way until you are ready to reveal what's underneath. The kimono also stands out because of its transparent material, which makes it a real eye-catcher - even the bottom of the sleeves are made out of this sensual eyelash lace and provides that wow effect. The included string is made out of black powernet and adds the finishing touch to the set. It has a cotton crotch that makes it extremely comfortable to wear. Wear it underneath the chemise so that your partner can get a cheeky glimpse of it through the transparent material...94% polyamide, 6% spandex.
