### Opis produktu

Put someone on a stylish and vegan leash! A collar and leash from Vegan Fetish in a set. The collar and wrist loop on the leash are made out of sustainable, natural cork with that typically beautiful look. The metal leash and metal details are in a shiny gold colour. There is padded plush material inside the collar that matches the colour of the cork. The plush is there to make the collar feel more comfortable when worn. There is also a studded loop with a ring at the front of the collar so that the included leash can be attached to it. The collar has a buckle fastener which can adjust the circumference from 35 to 44 cm. The metal leash with a snap hook is 85 cm long. Cork, metal; plush inside the collar 100% polyester.
