### Opis produktu

The pioneers of male-centric pleasure have done it again with the COLT® XXL Pumper Plug With Detachable Hose. This one-of-a-kind probe delivers super-sized pleasure with an inflatable body, easy-squeeze bulb and even stays inflated when the hose is detached! To inflate your ecstasy, simply attach the hose and pump the easy-squeeze bulb. Once you've reached the desired size, the probe will hold its size even when the hose is removed and the quick air release button allows for gentle deflation and removal. To enjoy the exhilarating world of anal pleasure to the fullest, this plump probe inflated evenly to deliver man-sized stimulation. The pliable silicone probe has the perfect amount of flex to bend and move naturally with your body. The powerful suction cup base is perfect for creative pleasure play, the probe can be used with or without a harness or mount onto a flat surface for a wickedly good time. The flexible probe, hose and bulb are made from a seamless silicone with ABS plastic release valves. Before inflation, the silicone plug has an overall size of 6.25" x 1.75" (13.25 cm x 3.75 cm).
