Opis produktu

Lace, velvet and a lot of sex appeal!

The beautiful crotchless suspender body from Cottelli CURVES is made out of elegant dark red lace. It is also soft and stretchy for a very comfortable fit. The stretchy velvet straps and rose gold-coloured accessories put it in the limelight in an elegant and seductive way. The removable chains in the cleavage area lead to the velvet choker with a front ring. The choker also has a hook and loop fastener so that it can be adjusted. There is a small heart-shaped pendant in between the wireless cups. The bra straps can be adjusted to fit. There is also a decorative restraint ring at either side of the body (in the waist area). The stimulating crotch chain over the crotchless area is also removable. The adjustable velvet suspender straps can also be removed.

90% polyamide, 10% spandex. Without stockings.
