Opis produktu

Provocative sensuality!

The open cup, bra top, suspender belt and crotchless string are in this elegant and erotic suspender set from Abierta Fina. The set is made out of delicate black tulle which has elaborate embroidery on it. The set also has small decorative sequins on it as well. The rose gold-coloured accessories add the finishing touch to this seductive style. The longer bra has lace covering the shoulders. There is a small fastener at the back of the neck. There is a hook fastener underneath the breasts that is decorated with sparkly rhinestones. The additional hook fastener at the back can be adjusted to fit. The front and the back of the bra straps can be adjusted too. The suspender belt also has a hook fastener at the back and 6 adjustable suspender straps (in total). There is a beautiful heart-shaped element at the front of the suspender belt. The small string is extremely seductive, thanks to its open crotch area and stimulating chain. The chain can be removed.

Tulle 100% polyester, inserts 90% polyamide, 10% spandex. Without stockings.
