Opis produktu

Stylish and clean – in a travel size!

The Fascinator Throw Mini from Liberator is made out of velvety soft microfibre and feels wonderfully soft to the touch. The throw is in a discreet design and has a moisture barrier inside, which means that both sides can be used. The comfortable throw is perfect for protecting furniture during sex and making sure that everything stays clean, dry and stainless. It is great for protecting the bed/bedding, sofa, carpet, etc. – at home or on the go.

The practical (travel) size is still large enough for a couple to enjoy hot activities together. The Fascinator Throw Mini can be washed in the washing machine after the fun. It is also suitable for the dryer.

91 x 66 cm. Microfibre, polyester, polyurethane.
