Opis produktu

This unique cock sheath is perfect for anyone with a penis and balls who craves new sensations that can be shared with any partner! Cradle the balls between two stretchy loops at the base and slip the penis head into the third ring to hold it securely in place - then get ready for an extraordinary ride! 9 speeds of pleasure waves emanate from the central motor mid-shaft which feels like a pulsing, supportive wrap during solo play and can also stimulate partner(s) in various ways. Play underwater if you're in the mood, as this toy is completely submersible. It's also USB rechargeable and easy to clean. Triple ring vibrating cock sheath 3 rings hold penis & balls securely in place 2 rings cradle balls, 1 encircles head Central motor radiates vibrations Comfortable streamlined profile Can be used for penetration Made from creamy, stretchy silicone Flexible, pliable to move with your body 9 vibrating speeds & functions Blue LED illuminates button when in use H x D x W: 6.06 x 1.89 x 1.26 inch / 15,4 x 4,8 x 3,2 cm Phthalate & latex free Waterproof & submersible Magnetic rechargeable, USB cable included Clean with toy cleaner and warm water Gender X The toy line Gender X is a full collection of innovative shapes and buzzworthy devices that enrich playtime for everyone. These inclusive toys are all about what you could call a 'universal imagination'. It's a 'wall for all,' where the shapes and functions speak for themselves, allowing customers to discover their own pleasure, no matter what that looks like for them. Because some people use G-spot toys for their prostates, and vice-versa, so why not have a line that doesn't impose any particular application at all! People can recognize the shape they want and make their own decision about how they'll use it — that's the key to Gender X. The line includes an array of shapes, sizes and categories, from wands to quadruple stimulators, neon-clear plugs and strokers. Kits, remote toys and partner play products are also included. The line
