Opis produktu

This Hog Tie Set from the Guilty Pleasure BDSM collection is made of vegan leather with gold coloured metal. The set contains a connector with 4 swivel clasp hooks and a center O-ring, 2 hand cuffs with two buckles each and 2 ankle cuffs with two buckles each. The set is a great tool for anyone who loves bondage, to tie the sub by hand and feet and force them in a position. The material that this Guilty Pleasure hog tie set is made of, microfiber leather, is the highest quality grade synthetic leather, a high-tech simulation of high-end leather material. Microfiber Leather simulates the structure of natural leather, using sea-island superfine micro fiber (ultra-fine fiber bundle) and high-grade polyurethane resins as raw materials. It has a lot of similar characters as natural leather. Microfiber synthetic leather is the best leather alternative and the optimal leather substitute. It can replace natural leather perfectly!
