This mini skirt from the Guilty Pleasure Printed Datex collection is made of black transparent fabric with stripes of printed red latex on it. On the lower part there are twice as much stripes, printed closer together. The back panel of the mini skirt is longer than the front panel. Datex is flexible and stretchable and has a unique look. It follows all the body curves smoothly and feels comfortable to the skin. This mini skirt makes a perfect set with the GP Datex Printed Crop Top. Printed Datex is a combination of natural rubber and elastic knitted fabric. The latex is printed in sexy open patterns on a highly elastic knitted fabric.
