Opis produktu

Beautiful mixture of material with removable rhinestone chains! Sensational basque made out of stretchy satin that has lace inserts that go down the basque and rose-gold coloured decoration. The integrated underwired shelf bra with slightly padded cups emphasise the beautiful breasts and make them the centre of attention. The two adjustable cleavage straps are fancy because they go from the adjustable bra straps to the choker. The choker has a hook and loop fastener. The chains over the breasts and shoulders are decorated with rhinestones and have snap hooks which means that they are removable. The small crotchless string made out of stretchy satin and a removable chain over the crotch is included. 94% polyamide, 6% spandex; lace 90% polyamide, 10% spandex. Without spandex.
