Opis produktu

Le Wand Hoop, solid stainless steel double-sided pleasure tool. Relish in the perfect curvature and ample reach that Le Wand Hoop provides, allowing you to lie back and relax as you enjoy the depths of pleasure by yourself or with a partner. You'll be awed by the satisfying weight and pressure from Hoop's solid stainless steel shape. Hoop features a beginner-friendly small bulb, with an easy-toinsert size and shape. Hoop's larger end features a bulbous teardrop shape and ripples for a delightful textured sensation. Both ends of this double-sided pleasure tool have been specifically designed for mind-blowing G-spot and P-spot play. Stainless steel toys are prized for their hardness, weight, and hygiene. They can be used with all types of lubricant. Try cooling them down or warming them up with water for temperature play. Clean with soap and water, in the dishwasher, or boil them for 3 to 4 minutes to fully disinfect. Body safe and non-porous Double sided pleasure tool Sturdy stainless steel Durable Ideal for temperature play Compatible with any lube Luxurious, giftable packaging Size: 26.1 cm / 10.3 inch Smallest diameter: 2.5 cm / 1 inch Biggest diameter: 3.7 cm / 1.44 inch Weight: 1.39 lbs / 630.5 g Lay back and relish in the depths of pleasure by yourself or with your partner with the Le Wand Hoop. The perfect curvature and ample reach of this stainless steel wand will leave you in awe with its satisfying weight and pressure. Allow the Hoop wand to firmly caress your pleasure spots in all the right way, the Hoop features a beginner-friendly, easy-to-insert small bulb and a larger bulbous teardrop end with ripples for an added delightful textured sensation. Both ends are excellent for mind-blowing G-spot and P-spot play. Stainless steel toys are prized for their hardness, weight and hygiene. Plus, they can be used with all types of lubricant. Try cooling them down or warming them up with water for temperature play. To clean, simply use soap and water, pop them in the d
