Opis produktu

Le Wand Swerve, solid stainless steel double-sided pleasure tool. No matter which way you grip Le Wand Swerve, you'll be in full control of your pleasure. This dynamic dual-ended pleasure tool is expertly designed for ultimate G-spot or prostate stimulation with a targeted, firm massage that's commanded by you with ease. Swerve's opposite end features rippled beads for the ultimate anal sphincter massage, particularly when paired with temperature play — a unique option that's available with stainless steel. Swerve can be easily cooled and warmed for heightened sensations. Stainless steel toys are prized for their hardness, weight, and hygiene. They can be used with all types of lubricant. Try cooling them down or warming them up with water for temperature play. Clean with soap and water, in the dishwasher, or boil them for 3 to 4 minutes to fully disinfect. Body safe and non-porous. Double sided pleasure tool. Sturdy stainless steel. Durable. Ideal for temperature play. Compatible with any lube. Luxurious, giftable packaging. Size: 21.5 cm / 8.46 inch. Smallest diameter: 1.1 cm / 0.42 inch. Biggest diameter: 2.9 cm / 1.15 inch. Weight: 1.14 lbs / 517.1 g. Satisfy your desire for the sensation of fullness and weighted pressure in all the right spots with the Le Wand Swerve! Smooth and sleek, this dynamic dual-ended pleasure tool offers a fulfilling anal play experience that will have you coming back for more time after time. The Le Wand Swerve features a double bulbous end, a classic shape for sex toys that offer toe-curlingly delicious prostate stimulation. Use the rippled beads on the opposite end for some sensual anal sphincter massages. Stainless steel sex toys are renowned for their hardness, weight, and hygienic qualities. The Le Wand Swerve is compatible with all types of lube, so try cooling them down or experiment with a warming lube for some titillating temperature play. To clean the Le Wand Swerve, simply use soap and water, pop the toy in the dishwasher, or boil it for 3
