Opis produktu

Sensual lace with intricate details!

A longline bra and crotchless panties are combined in this set from Abierta Fina. Everything is made of delicate soft elastic lace and adorned with velvet stripes and details. The longline bra with lightly padded underwire cups brings the bust into top form and directly into the field of view. A small flounce flatters the waist. The silver-coloured zip at the front makes it easy to put on and take off. The neckline chains as well as the choker are detachable from the bra. The neckline straps and the velvet straps are adjustable to fit. The lace panties, cleverly designed with stretch bands at the front, seduce with their crotchless design and a stimulating chain that can also be removed.

90% polyamide, 10% spandex.
