### Opis produktu

Brasilian type briefs. Entirely made of elastic and stretchy tulle in black. At the waist, black, wide and nice to touch elastic band. In the front under the tulle an insert of black shiny vinyl. An interesting and perfect for play, is the hole in the front, edged with elastic band. What is it used for? This is obvious. It allows access to intimate parts, and the elastic band with which it is edged perfectly performs its task of compression. Check it yourself... It looks sensational with a black top REGaspar001 - visible in the photos.
