Opis produktu

The front is stylish, the back is made out of hot lace!

The tight-fitting mini skirt from Noir is made out of beautiful black powerwetlook. There is a transparent lace insert at the back. There is also stretchy decorative lacing over the lace insert, which is threaded through the eyelets. The soft & stretchy mix of materials means that fits like a second skin in a very comfortable way.

76% polyester, 24% spandex, polymer coating; lace 85% polyamide, 15% spandex. There is a separate size chart for Noir.
