Opis produktu

Maximum vibro-power for extreme pleasure!

The Vibrating Mega Masturbator Shake That Ass from PDX Elite has very powerful vibrations that make the hot buttocks tremble. The curvy buttock torso can be penetrated in a doggy-style position or a lying down position. Both of the tight but flexible pleasure tunnels (vagina & anus) have exciting textures inside for an additional and intense massage. The 2 powerful motors provide extremely powerful vibrations – this means that the penis will be stimulated all over. The 10 various vibration modes can be controlled via the button on the toy.

The torso masturbator is made out of skin-like Fanta Flesh material and looks extremely realistic. The soft and smooth material also adapts quickly to body temperature. The torso weighs almost 3 kg, which means that it sits securely on any smooth surface and doesn't slip – making it perfect for hands-free fun.

Rechargeable – includes a USB cable.

20.1 cm x 23.9 cm x 14.9 cm.

Pleasure tunnels: insertion depth 12.2 cm, flexible to 7.6 cm.
