Opis produktu

As discreet as it gets!
The masturbator Shower Therapy Milk Me Honey from PDX Plug looks from the outside like a normal shampoo bottle. But beneath the bottom cap hides a tight vagina replica with an exciting textured for an intense penis massage during a handjob. The closure of the bottle doubles as a suction control mechanism that can control the blowjob sensations by opening and closing it.

The soft, stretchy sleeve is made of skin-like Fanta Flesh material that quickly adapts to the body temperature and feels close to the real deal. The sleeve is open at both ends and can be removed from the discreet case for easy cleaning.

Includes a suction cup that can be attached to bottle in place of the top closure. It sticks firmly and securely to all smooth surfaces, making the masturbator suitable for hands-free pleasure.

Total length 20.7 cm, insertion depth 17.8 cm, inner Ă˜ tight and stretchy, outer Ă˜ 8.5 cm.
TPE, ABS, PP.
