### Opis produktu

PheroStrong pheromone Popularity for Women fragrance inspired by Paris, created for women who care about their fame - a modern lover embodying uninhibited feelings and emotions. PheroStrong pheromone Popularity for Women recomposes chypre and emphasizes Parisian chic. It combines notes of patchouli with white chords and balances them with musky sensuality. The composition is dominated by Datura - a flower that evokes anxiety and excitement. Ephemeral during the day, after sunset, it fills the air with a thick aroma. It symbolizes feminine delicacy, grace and beauty. Perfect for everyday use. Top note Raspberry, Strawberries, PearHeart note Datura, Peony, JasmineBase note Patchouli, Musk
