Opis produktu

This is a truly cruel dress that allows you to present two very different facets of your personality in a single outfit. The front is deceptively low-key, allowing you to focus on looking classy and beautiful. That still doesn’t mean you won’t look naughty from the front since the dress features a seep neckline that lets you tease your cleavage.The Seamless Shred Back Dress also ends short and lets you really show off how amazing your legs look, whether you’re in the bedroom or a nightclub. The line between innocent and sexy definitely shifts to the sexier side when you turn around. Things get wild at the back with a slit design that adds flair and seduction to this otherwise classic-looking number.Minidress style that hugs your formDeep neckline to draw attention to your breastsSultry slit design at the back for extra sex appealStretchy material to fit your body shapeSupreme comfort mixed with a sexy designEasy to washMaterial: 92% nylon 8% spandexFabric careHand wash in cold waterDo not dry cleanDo not bleachLine dryDo not IronClick here for the Pink Lipstick Size Chart
