Opis produktu

Sexy Slut Says is a year-round version of their highly successful Sexy Santa Says Game. Game play for Sexy Slut Says is very simple. You separate the Sex! Cards from the Sexy Slut Says cards. You and your lover take turns selecting and acting out Sexy Slut Says cards. Some cards result in you earning a Sex! Card, and the first player to earn three Sex! cards wins, and gets to select a sex position on one of these cards for the couple to act out. Sample Sexy Slut Says Cards include "Don't Thank Me, Just Spank Me," "Make an Obscene Gesture, Then Act It Out," and "Bases Loaded, Copy Each Base." Original artwork is included on each card to demonstrate the action. For example, the "Based Loaded" card, shows a couple kissing on first base, fondling each other on second, and oral sex on third. Sample Sex! Cards include "Orgasmic Oral Sex for Her," "Full Blown Oral Sex for Him," and "Easy Entry with Her Legs in a V-Shape." These cards also include graphics to demonstrate how to do the sex positions. The biggest compliments we receive about our games and at meetings and trade shows, is about our original and extensive game content. explains CEO Brian Pellham. "The cards are all different with the exception of the five 'Be Creative! Please Your Lover in a New Way and Earn a Sex! Card!' This is similar to all of the other sex card games in our line. We continue to give customers new things to try and that keeps them coming back for more ideas." Sexy Slut Says includes 4 languages English, Spanish, French and German. The sex game where you must do what you're told! Carry out sex actions on the cards with your lover. Earn 3 Sex! Cards first, and you're the winning slut who controls what you both act out. Includes 52 cards and game rules.
