Opis produktu

Explore your naughty side and use the TABOOM Chain Leash in combination with the TABOOM Elegant D-Ring Collar (17102). You don't have to be a fan of puppy play to like the idea of having your partner controlling you by walking you around or make you do naughty things you never did before. Leading the Sub on a chain can make the Dom feel very proud of their partner, it will give them a strong sense of ownership and responsibility. The collar is lined with luxury velvet, making it comfortable to wear.
