Opis produktu

Intensify your impact play with the Saffron Braided Flogger. Each of this cat-o'-nine-tails faux leather flogger's thick braided falls ends in a tip reminiscent of riding crops, landing nine perfectly stinging snaps anywhere on your willing partner's flesh. Heavier falls mean a fiercer bite than standard soft floggers, making the Saffron Braided Flogger the perfect pleasure tool to take punishment play to the next level. A faux leather wrist loop at the base of the comfort-grip handle makes this flogger easy to store on a wall or pegboard when you're finished playing (or just warming up). Mix and match with other Saffron collection products for even more forbidden fun!
