Opis produktu

Deliver thirty stinging kisses to your lover's backside or anywhere else you desire with every flick of the Saffron Flogger. Luxuriously long faux leather falls in the Saffron collection's signature colors flow from a strong, metal handle that requires only a capable lover's firm hand. Each soft, flexible strand of the Saffron Flogger can whisper across their body or cross it with a biting snap. A faux leather loop at the base of the nickel-free metal handle makes this flogger easy to store on a wall or pegboard when you're finished playing (or just warming up). Mix and match with other Saffron collection products for even more forbidden fun!
