Opis produktu

Silk sheets, rose petals, candles, and champagne... they've got a time and place. But sometimes the evening calls for something a little spicier. Made from vegan leather of the deepest midnight and the brightest scarlet, this collar and leash set looks and feels luxurious so that your power play is sophisticated and sexy. Wrap the collar around your plaything's delicate throat. The strap adjusts to fit a wide range of sizes. Attach the leash's long chain to the D-ring and get a firm grip on the loop handle. Now your partner is under your control. But why can't you have a little sugar with your spice? Don't ditch the silk and champagne yet...Material: PU Leather / Metal
