Opis produktu

An exclusive style in a delicate lavender colour!

The wireless bra, suspender belt & string in a set from kissable is made entirely out of delicate lace. It is soft and stretchy which means that it is extremely comfortable to wear. The stylish bra has a hook fastener at the back of the neck and at the back. The suspender belt has a hook fastener at the back and adjustable suspender straps. The small string is extremely seductive because of its two narrow stretchy straps that meet in the crotch area.

90% polyamide, 10% spandex. Without stockings.

Important: There is a separate size chart for kissable!
