Opis produktu

A lace ensemble with very special details! A shelf bra, suspender skirt and crotchless string from Abierta Fina in a set. All three pieces are made out of soft, delicate, stretchy black lace with rose gold-coloured accessories. The shelf bra has a decorative heart between the slightly padded, underwired cups. The chains in the cleavage area can be removed. The hook fastener at the back and the bra straps can be adjusted to fit. The figure-flattering suspender skirt has a hook fastener at the front that is decorated with sparkly stones. The adjustable suspender straps can also be removed. The string has a seductive open crotch area and a stimulating crotch chain. The crotch chain can be removed.
