Opis produktu

- Beppy Soft + Comfort Tampons.
- The tampon without a string provides comfort to women in many activities, like during sex and a day on the beach.
- Luxury product.
- No irritation during the lighter days.
- One size fits all.
- Use for up to 8 hours.
- Choice of two versions, DRY and WET.

Differences between the two versions:

WET tampon contains a lacta gel (easy to insert), WET tampon has a handy removal loop (easy to remove).

DRY tampon perfectly shaped to the anatomy of the female body, DRY tampon is suitable for the experienced user.
