Opis produktu

The Beppy tampon is a soft, flexible sponge that you wear inside during your period. Beppy offers invisible protection, even up to 8 hours. Invisible because the Beppy tampon is string-free.

The Beppy Soft+Comfort Tampon is easy to insert just like any other tampon. Thanks to its special shape and soft structure the tampon can be folded and inserted easily. The tampon adapts itself to the shape of your body what prevents leaking. This allows you to enjoy the best invisible protection and comfort. What are the benefits? The tampon provides more freedom during the monthly period, so you can go carefree to the sauna, do sports, have sex and more ...
