## Opis produktu

Temptasia Clit & Nipple Twist Suckers bring engorgement and heightened sensitivity to your most sensitive areas. Each crystal clear cylinder delivers engorgement and heightens sensation. Each pocket-sized suction cylinder in this triple set is fully adjustable. The suckers don’t need a pump. The suction is adjusted by twisting the top. Place the cylinder over your clit or nipple, then twist the top to adjust. The fully adjustable cylinders allow you to play with different levels of pleasure. The more you twist, the more suction and sensitivity you create. Lube the opening of the cylinder for increased suction and comfort. Use one, two, or all three at the same time! Made of body safe acrylic, Temptasia Suckers are easy to use and easy to clean.Set of 3 suction cylinders to stimulate nipples and clitorisInner diameter 0.8 inch / 2,0 cm
