Opis produktu

The Candy Shop collection from Dream Toys immediately catches the eye with their soft pastel colours and smooth shapes. Each toy from the Candy Shop collection has a different pastel colour and a matching name. This is the vibrating egg in the Candy Shop. It is called Sweet Apple. It comes with a wireless remote control for easy operation. The egg has 3 vibration speeds and 7 vibration rhythms so there is a stimulation level for every need. It is waterproof of course, and a USB-charging cable is included for easy recharging. The Sweet Apple is made of silicone and ABS with PU coating, 100% body safe, free of latex and free of phthalates, and features a strong draw string. A USB-pin cable to charge the vibrating egg and the remote is included. Operation: Single button operation on the vibrating egg. Long press to turn the device on, short press to change vibrations. The remote can be used once the vibrating egg is on. It has 2 buttons: a power button and a wave buttons to change the vibrations.
