Opis produktu

Smooth & well-groomed in minutes!

The intimate area is the leading body region for hair removal for men. The Veet Men TOTAL PRO Intimate Hair Removal Set has been specially developed for use on the sensitive intimate area. The combination of the TOTAL PRO hair removal cream and the TOTAL PRO nourishing balm enables thorough hair removal without the risk of cuts. Both products have been carefully and dermatologically tested. The cream removes hair in just 5 to 10 minutes and it provides long-lasting results with less itchy stubble and fewer ingrown hairs compared to shaving. The nourishing balm moisturises the skin after hair removal and soothes it with aloe vera.

2-piece set with:

- 1 x hair removal cream 100 ml incl. a spatula
- 1 x moisturising balm with aloe vera 50 ml
